NARRATIVE:

Karl Thomas is a documented gang member with an extensive adult criminal history that began at the age of 18. His convictions include felon in possession of a firearm, possession of narcotic controlled substances, robbery, grand theft, sales of cocaine, obstruction of a peace officer, hit and run with property damage and evading a peace officer with disregard for public safety. He has served multiple state prison terms, the longest being an 11 year term for evading a peace officer with disregard for public safety. Thomas was released from state prison to the supervision of the Los Angeles County Probation Department on October 09, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2015 after he absconded from post release community supervision (PRCS). Thomas qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for evading a peace officer with disregard for the safety of others is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
